**Ever After** estem

If I don't kill her,

That woman

Will steal my heart away.

That woman's  
name

Is Carmen.

*Carmen*

☆カルメン☆

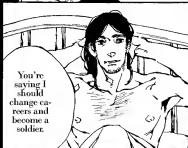

Try getting  
up early  
every day  
and see what  
it's like to be  
useful.

You're  
still fine,  
aren't  
you?

You're  
saying I  
should  
change ca-  
reers and  
become a  
soldier.

I can't  
sleep until  
afternoon  
like you.

You dropped  
something.

It's a flower.  
It's starting  
to wilt.

One of the  
girls at the  
cigarette  
factory  
threw it to  
me.

A beautiful  
girl that all of  
the men turn  
to look at  
when she  
walks by.

Her name is  
Carmen.

Hahaha. It  
looks good  
on you.

Stop  
fooling  
around.

Really. As  
fair as a  
gypsy girl.

How spe-  
cial. You  
must wear  
it in your  
hair.

She's a du-  
chess.

Whose  
bull will  
it be  
today?

Lucas\*.

Do you love  
me?

Don't  
answer  
that.

.....

Oyé!

Oyé!

Don't you  
know her,  
José?

Doesn't José  
know her?

There's  
not a man  
alive who  
wouldn't  
yield to  
her.

But seeing  
him with  
her is the  
worst.

I'm not  
feeling  
well. I'm  
leaving.

Hey, take  
it easy  
there.

I see two  
corpses  
behind you.

Two  
young  
people...

What a  
load of  
crap.

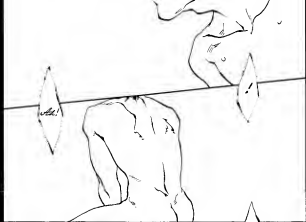

And the  
other is a  
young  
woman.

One of  
them is a  
young  
man...

That  
woman...

Carmen...

*I see two  
corpses  
behind you.*

*Two  
young  
people...*

*Aah!*

One of them is Carmen.  
... Who is the other one?

*Hah!*

*Ah!*

There's the  
bugle. If I  
don't hurry,  
it will be  
over.

What the  
hell do  
you want?

And aren't  
you a strange  
one? Didn't  
you see him  
dedicate the  
bull to you?

Calling me  
out in a place  
like this?

Sorry, but I'll do what I like with whoever I like.

*Ah...*

*I must kill you.*

You want to  
know why I killed  
Carmen?

*Haa.*

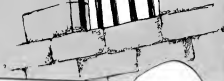

*Haa.*

I wanted to  
be the only  
one loved by  
Lucas.

But that hope  
is all in ruins  
now.

Because while I  
was stabbing  
Carmen, the bull  
he had dedicated  
to me gored him  
to death.

It gets very quiet  
here when night  
comes...

And I can savor  
my memories of  
Lucas.

Of his voice,  
his beat, his  
breath, the  
sweat of his  
palms...

The only  
thoughts that  
come to my mind  
are of that  
woman.

But after  
a while...

Her manner,  
her voice, her  
lips.

Her gaze and  
her long, black  
hair.

The smooth  
skin of her  
full breasts.

...No, not with  
love or  
anything of  
that sort.

I envied her...

All the things she  
had that I didn't.

Perhaps I wanted to  
become her.

That woman who  
was called  
Carmen.

## *Tramplón Not.*

In the opera, the murderer's name is Escamillo. The name Lucas comes from the novella, *Carmen*, by 19th century writer Prosper Mérimée, that the opera is based on. In the novella, Lucas is a peacocks, the bullfighter on horseback who grabs the bull's neck with a lance. Escamillo in the opera (and Lucas in this manga) is a matador, the torero who uses the cape to provoke the bull and who kills him with a sword (or attempts to). The matador is considered the "star" of the torero firmament. The third type of torero is the banderillero, who places decorated sticks into the bull's shoulders.
